Magnetic Glassboards

Magnetic glass boards combine perfect design, saturated colours and elegance. Ideal for offices, restaurants and the home, glassboards are made of glass, covered with paint on the reverse side and galvanized sheet-bonded together. They have rounded corners which make them safe to use. Dry-wipe properties mean your annotations can be changed whenever you want.

- Individual box with styrofoam protection
- Choice of 4 colours for small sizes
- Larger sizes- only available in white
- Easy mounting
- ALL ORDERS FOR GLASS BOARDS WILL HAVE A 2 WEEK LEAD TIME

32mm Lockable Snap Frames

These snap frames are the perfect solution for displaying posters in public locations. They feature our sequential locking system which quickly secures your displays. This is a medium to heavy duty frame system which is suitable for outdoor public locations. Also available made to order in coloured finishes.

- 32mm Lockable Snap Frames
- 1.5mm strong plastic back panel
- Anti-glare poster cover
- Protective anodised frame finish
- Wall fixing kit

	Graphic Size	Visible Size
PSF62	210 x 297mm (A4) (w x h)	190 x 277mm (w x h)

PSF69	1016 x 1524mm (60x40) (w x h)	996 x 1504mm (w x h)

32mm Silver Snap Frames

The wider 32mm profile makes these frames a medium to heavy duty solution for indoor and outdoor applications when used in conjunction with a water resistant poster. The wider profile make these the right solution for larger frame sizes.

- 32mm extruded aluminium frame
- 1.5mm strong plastic back panel
- Anti-glare poster cover
- Durable anodised frame finish
- Wall fixing kit

	Graphic Size	Visible Size
PSF8	210 x 297mm (A4) (w x h)	190 x 277mm (w x h)

PSF15	1016 x 1524mm (60x40) (w x h)	996 x 1504mm (w x h)

25mm Silver Snap Frames

Fantastic value for money and high quality make these frames one of our best sellers. Our snap frames feature easy poster access with the snap open and close system. This profile is recommended for indoor use but may also be suitable for some outdoor applications.

- 25mm extruded aluminium frame
- 1.5mm strong plastic back panel
- Anti-glare poster cover
- Durable anodised frame finish
- Wall fixing kit

	Graphic Size	Visible Size

PSF86	840 x 1188mm (A0) (w x h)	820 x 1168mm (w x h)

Frame Stands

Frame stands are the perfect solution for simple, low cost, free standing displays. The frame is a high quality silver anodised snap frame. The pole is telescopic, so the height of the stand can easily be altered and the head of the post can be rotated through 360 degrees meaning the frame can be displayed portrait or landscape.

- Strong and lightweight aluminium construction
- 3-way adjustable frame angle
- Telescopic pole
- Heavy duty steel bases

	Graphic Size	Visible Size
PPS40	210 x 297mm (A4) (w x h)	190 x 277mm (w x h)
PPS41	297 x 420mm (A3) (w x h)	277 x 400mm (w x h)

Junior Screens

Our innovative dual purpose mobile screens are incredibly versatile in the classroom, proving very popular with teachers and pupils alike.

Quality ash frames and castors allow the double sided screens to be moved easily within the room. They can be turned to create interest and excitement within the teaching environment, allowing teachers and pupils to interact more closely in spelling, drawing, and maths, more specifically to sub-groups within a class.

Create a quiet corner for stories, or a place where children can rest. The magnetic whiteboard/felt combination makes for an ideal 'question and answers' board. Also, pupils are no longer restricted in their viewing of presentation material as can occur with fixed-position wall mounted screens.

- Magnetic letters and numbers can be used
- Screens are felt covered and velcro friendly
- All screens come with castors (2 lockable) for ease in moving
- Felt colours – Red, Blue, Green, Grey and Burgundy
- Ash framing 38mm x 42mm

Double Sided Felt

	Size
JRPMMP1212A	1200 x 1200mm
JRPMMP1512A	1200 x 1500mm

Office Screens

Office screens are available with Nyloop Velcro friendly fabric or Woolmix fabric in a wide range of colours. Each screen is supplied with height adjustable feet as standard. Castors and four-way link strips are available at an additional cost. The link strip is a rigid pole that will allow you to join up to four screens at 90° from one pole. Screens are available in a range of popular sizes.

Freestanding Folding Display Stands

Freestanding folding display kits available with PVC or Aluminium frames. PVC framed kits are covered in Nyloop fabric on both sides of the board (PVC frame and double action hinges in black or grey only). Aluminium framed kits are covered with Nyloop fabric on one side of the board (smooth white plastic finish to the reverse). All display stands are supplied with durable Correx carrying cases*. These kits are lightweight and portable and are ideal for open days and small exhibitions. Available in 8 colours (please see page 29).
